

Request a 2008-2009 MNEA pocket calendar or planner . . .

Again this year we will not automatically be mailing the MNEA pocket calendar in order to save printing and mailing costs. While we know many of you use your MNEA pocket calendar, we also know many of you do not. Some of you may prefer the new monthly, desk-type planner being offered to Active members. You can request your pocket calendar or planner in one of the following ways:

Complete and return the form below.

- * Submit the request online at "www.mnea.org" on the "Retired" page.

E-mail your request to Sharon.Watson@mnea.org. Include your name, address and indicate whether you are an "Annual" or "Life" MNEA-R member. Active members who are also "pre-retired" will receive a calendar from their local in August, as usual.

Regional chairpersons will also have calendars for distribution at regional meetings.

The MNEA membership card and a member benefits brochure will be mailed to all MNEA-R Annual members and to all MNEA-R Life members in early August.

We appreciate your cooperation and understanding. We want you to have your MNEA calendar. We also want to conserve our resources if you don't make use of the calendar.

Choose one of the following:

_____ Yes, I want my MNEA 2008-09 pocket calendar.

_____ Send me the new 2008-09 MNEA planner instead of the pocket calendar.

Enclosed is \$2.00 to cover the additional mailing cost of the planner.
