Who is invited?

All locals are invited to participate and bring a team. Locals are encouraged to bring their local president, treasurer, membership chair, bargaining chair, and a new leader. More are always welcome!

How much does it cost?

Registration is \$25 per participant with the entire amount refunded at the beginning of the second full day of participation.

Summer Leadership 2019

Unite • Inspire • Lead

Missouri NEA's Summer Leadership continues in 2019 with a renewed focus on helping build strong locals with an emphasis on team building through strategic planning. This year, locals are encouraged to bring a team of leaders. Local teams will move through the program together exploring workshops based on NEA's Leadership Competencies. Locals are encouraged to bring their local president, treasurer, membership chair, bargaining chair and a new leader. Larger local teams are always welcome!

MNEA is providing two Summer Leadership Programs to make it even more convenient for locals across Missouri to attend. The first academy will be in Kansas City on June 17-18 followed by the second in St. Louis on June 20-21.

Sessions Focused on What Your Local Needs

Each of the breakout sessions will offer different tracks based on what you determine your local needs most. The breakout sessions are based on NEA's Leadership Competencies and are on first come first serve basis.

Time to Work Together

Except for the leadership roles sessions, your local is encouraged to attend all sessions as a team. Time will be built into each session to take what you have learned and build your local plan of action. At the end of the Program, you will have time to create your strategic plan for the year ahead.

Time for Networking & Fun!

Summer Leadership is always a great time to meet fellow leaders across the state and reconnect with friends. From break time to the evening social activity, participants will have ample time to expand their network of colleagues who are facing the same day to day challenges.
