

2021 NEA RA Category II State Delegate Candidate

Amanda Minear, COLUMBIA MNEA

It is with great pleasure that I am running to represent Missouri NEA at the NEA Representative Assembly. Currently, I am an administrator working at Lange Middle School in Columbia Public Schools. I just completed my doctorate at the University of Missouri in Educational Leadership and Policy Analysis. Throughout my time in Missouri NEA as a student, teacher, and administrator I have had the privilege to serve on a variety of committees advocating for support in the classroom. I am a proud member of this association and would be honored to represent our membership as a delegate to the RA.
