<tr>
<td>5. Recognize changing societal realities, including pandemic flattening or spikes, racial injustice, the November election climate, and other external forces that impact the community.</td>
</tr>
<tr>
<td>6. Respect that routine and predictable home-school <strong>communication</strong>, relationship, and identity is critical.</td>
</tr>
<tr>
<td>7. Meet students where they are by addressing individual academic needs.</td>
</tr>
<tr>
<td>8. Empower <strong>professionals</strong> to guide effective learning and planning.</td>
</tr>
<tr>
<td>9. Frame curriculum, planning, and teaching for more in-depth learning, authentic engagement, and academic foundations through <strong>blended learning models</strong> for learning in school and at home.</td>
</tr>
<tr>
<td>10. Reconsider, <strong>policy</strong> and regulations, as necessary.</td>

Tentative School Start Date of Monday, August 24, 2020.
WHY REOPENING SCHOOLS IS CRITICAL

Returning students to the classroom is critical to their educational experience specifically and for reopening our economy in general. We understand that many parents cannot return to work without schools providing brick-and-mortar learning for our students. Additionally, reopening schools is critical for eliminating the achievement gap. The impact of school closures is disproportionately felt by low income and marginalized students. There is little doubt that this worldwide pandemic, and its resulting school closures, have widened and highlighted this achievement gap and is wildly unacceptable. Returning students to brick-and-mortar classrooms is a major step to helping students bridge the gap and preparing them for jobs that do not even exist today.

RESEARCH CONCERNING PROJECTIONS ABOUT PROLONGED COVID Slide

- **4th Grade Reading Loss**: Expect a -34% decline in Reading RIT scores; equivalent to 6 months of learning loss
- **6th Grade Math Loss**: Expect a -81% decline in Math RIT scores; equivalent to 14 months of learning loss
- **Achievement Gap Expansion**: COVID expected to add +20% to gap between highest and lowest-performing students
- **Learning Recovery Time**: Analysis of Hurricane Katrina aftermath suggest 4 months’ learning loss requires 2 years of normal seat time to fully recover academic pacing
ESSENTIAL GUIDELINES

To protect the health of students and staff, these are the “must dos” for each school district

CITY OF ST. LOUIS SCHOOLS OPERATION GUIDELINES FOR REENTRY TO SCHOOLS

- Have an infectious disease plan;
- Establish a process by which each school in your jurisdiction keeps and maintains accurate records of anyone who has been inside a building;
- Comply with the Missouri Revised Statute Section 167.181 and 19 CSR 19c-20-28 which govern immunization of students;
- At a minimum, maintain a 3ft radius around each student’s desk in the classroom;
- Conduct daily health and temperature screening for students and staff at the beginning of the school day;
- Minimize contact and social mixing during school hours;
- Consult and obtain approval from the City of St. Louis Department of Health prior to planning any school assemblies;
- Work with the City of St. Louis Department of Health to ensure COVID-19 testing is available and required for all staff prior to returning to work;

ESSENTIAL GUIDELINES

To protect the health of students and staff, these are the “must dos” for each school district

- Require face coverings for all staff and students in the 4th grade and above while in the school building and all students when riding school buses;
- Students with medical conditions that prohibit them from being able to wear face coverings will be exempt, as long as they have a document from their medical provider.
- Establish an isolation area within each school, which will be used to remove the ill person from the school’s general population;
- Require temperature and health screenings and wearing of face coverings for all essential visitors (e.g. parents/guardians, health officials, business officials, vendors that provide essential services for the school);
- Prohibit visitation of nonessential visitors;
- Restrict in-person field trips during the Fall semester of the 2020/2021 school year;
- Comply with the Missouri statutes (19 CSR 20-20.020) governing communicable disease reporting requirements;
- Establish protocols for loading and unloading buses to minimize person to person contact.
ENSURING SAFE AND CLEAN ENVIRONMENTS

Adhere to St. Louis City DOH Guidance, SLPS Recommendations help schools to plan for a safe building reopening

ENSURING SAFE AND CLEAN ENVIRONMENTS

Adhere to St. Louis City DOH Guidance, SLPS Recommendations help schools to plan for a safe building reopening

CLEANING AND DISINFECTING

- Equip classrooms and communal areas with hand sanitizing supplies and disinfectant.
- Install handwashing stations in schools on an as-needed basis.
- Routinely disinfect high-touch-point areas, such as doorknobs, rails, and light switches.
- Use additional measures, such as electrostatic sprayers, foggers, and sponge applicators, for on-the-spot disinfecting.
- Custodial staff are responsible for ensuring spaces are kept clean and disinfected.
- Staff members should assist this effort by cleaning and disinfecting communal areas, including eating spaces, conference room tables, and chairs, after use.
- Facilities will coordinate, schedule and deep clean any classroom, office, or common space suspected of contamination. The area will be closed until proper cleaning procedures are complete.
PRIORITIZING STUDENT WELLBEING
Providing essential and critical support for students’ health and wellness

Social and Emotional Support

Crisis Intervention Team

Resources for Support Services

Parents are asked to collaborate in students’ health screenings and social distancing

Students are required to have current immunization records on the first day of school, August 24, 2020

Pop-up clinics for immunizations are provided by the district

SLPS is striving to have a nurse or licensed health professional at every school
PRIORITIZING STUDENT WELLBEING

To protect the health of students, these are the “must dos”

OVERVIEW OF STUDENT HEALTH GUIDELINES

- All students in grades 4 and above are required to wear face coverings in school and strongly encouraged for grades under 3.
- All students, regardless of age, must wear face coverings on the bus.
- All students and staff will engage in a daily health screening upon arrival to school each day.
- Parents should be instructed to keep their child at home if they are ill.
- Students will remain together in the same groups as much as possible throughout the day.
- Elementary and middle school students may have breakfast and lunch in the classroom.
- Visitors will be limited in the school building and will be required to wear masks.
- Parents and guardians coming to pick up or drop off students will be asked to stay outside the building in a designated area.

ESTABLISHING CLEAR COMMUNICATIONS
Allowing staff, students, families and the community to safely re-engage in the education process

Communications to Parents/Guardians

Schools will communicate with families about:

- School start date
- Health and safety measures and protocols in school buildings
- How to enroll and choose an instructional format
- The expectations of parents and students if the School Building Closure/Distance Learning Plan is implemented
- Basic information on COVID-19 and actions families can take to stay safe when not at school
- Clear direction on when to keep a student home and the process for notifying the school
- Information on pop-up clinics for mandatory immunizations and flu vaccinations

Families will receive information about community resources available to assist with:

- Mental health
- Child wellbeing
- Food security
- Medical/dental providers
- Health insurance
- Economic aid
- Internet access
- Avoiding COVID-19 scams

Families can use the district hotline. (314) 345-5656 daily from 9:00 a.m. – 5:00 p.m.
They can reach out to school principals and teachers through phone calls and emails.
