Detailed competition information, requirements and scoring guides can be accessed on the national Educators Rising website, at <https://www.educatorsrising.org>, under Student Resources. Students may enter up to two events. If a student is a presenter for a chapter competition, that counts as an event entry. Each chapter is limited to 2 varsity and 2 JV entries in each individual competition, and one entry in each chapter competition. Eight competitions are open to middle school students, up to 2 entries per chapter in each. **Each chapter with students who compete needs to recruit a judge/timekeeper.** Judges must be able to access materials from the internet before the event and join an online judges training.
