Help protect the promise of public education for EVERY child.

BECOME A PAC SUSTAINER

Just \$2 a month could help elect people who help, not hurt, our public schools.

As an educator or education support professional, you are already committed to kids and making public schools great.

Take the next step and give to PAC.

For every dollar you give to MNEA-PAC, your local association receives 50 cents. That's right! One-half of your contribution will stay with your local union to help elect school boards and pass bond/levy proposals that benefit educators, students, and public schools in your neighborhood.

MNEA-PAC donations have helped us elect countless school board members and nine educators that are currently serving in the Missouri General Assembly. People who believe in standing up for educators' rights, who understand what students need to succeed, and that YOUR tax dollars should NOT fund tax cuts for the wealthy to send their kids to private schools.

MNEA BELIEVES THAT WHEN WE HAVE LEGISLATORS AND SCHOOL BOARDS WHO VALUE PUBLIC SCHOOLS, OUR MEMBERS AND STUDENTS WILL HAVE THE SUPPORT THEY NEED TO SUCCEED.

MNEA-PAC is a bi-partisan committee made up of members just like you. At election time, MNEA-PAC surveys ALL candidates running for office to see who supports the interests of kids, unions, and public schools. MNEA-PAC sees beyond party lines and only endorses candidates whose values closely align with our values as outlined in the MNEA Resolutions.

Together, we can secure a strong future for Missouri's students and educators.
