**CELEBRATING OUR PAST
FOCUSED ON OUR FUTURE**

Missouri NEA-Retired is an affiliate of the Missouri National Education Association.

MNEA-R has 7 regional chapters across the state that frequently meet and provide members with opportunities for learning, advocating for public schools and networking with colleagues.

MNEA-R is proud of our legacy and of our members who continue to prove that MNEA-Retired is “Something Better” for retired educators of Missouri.

We believe in the importance of a national organization

- ▶ One of the differences between MNEA-Retired and other organizations is that we're a part of a national organization.
- ▶ That means that we have a voice at the national level on important issues such as the Reauthorization of ESEA and GPO/WEP
- ▶ It also means that national resources are available for training and networking - and those resources strengthen our ability to advocate at the state and local levels

Retired Regional Dues

Most of the regional groups have annual dues of \$10.00.

A few offer the choice of Life regional dues.

These funds are used to defray the costs of activities, provide new member incentives, and to make charitable donations.

MISSOURI'S NUMBER-ONE ADVOCATE FOR PUBLIC EDUCATION RETIREES

Missouri NEA Retired

JOIN MISSOURI NEA-RETIRED

THE OFFICIAL RETIREE ORGANIZATION FOR MISSOURI NEA

Your passion for helping students doesn't end when you retire. Joining MNEA-Retired keeps you engaged with other educators, affords opportunities to continue your support for students and great neighborhood schools, and gives you a voice to advocate for the things that matter for public education retirees.

Join Now

To join MNEA-Retired, simply aim your smart phone camera at this code and select the link that appears on your screen.

BIG IMPACT

MNEA-Retired members continue to play a valuable role in public education.

- Improve public education through mentoring, literacy and intergenerational programs and activities.
- Preserve, protect and improve retirement pensions and health benefits, including state pensions, Social Security and Medicare.
- Advocate for legislative and political action to support public education and educators.
- Participate in intergenerational programs that link retired educators with young people in need of help.
- Continue involvement with MNEA and enjoy activities with other public education retirees.

Learn more about membership, complete a membership form or print out a mail-in membership form at www.mnea.org/retired.

"Joining MNEA-Retired before leaving the profession means you will always stay active and engaged with your colleagues. MNEA-Retired is the best way for you to continue to play an important role in public education for students and educators."

— TERRY REGER, MNEA-RETIRED PRESIDENT

MNEA-RETIRED JOIN AND PAYMENT OPTIONS

Your MNEA Retired membership provides most of the same benefits you appreciate before retirement, and if you want to substitute teach, you will want the coverage (up to 550 hours a year). Most retirees love taking advantage of all the NEA and MNEA Member Benefits discounts or currently have discounted insurance policies that require membership to maintain. The main reason folks join or continue their membership after retirement, however, is to stay connected, involved and informed.

We want to make your transition into MNEA-Retired as easy as possible and offer several convenient payment options.

Pre-Retired Life or Retired Life

You can join Pre-Retired Life at any time, even while you are still receiving a paycheck from your school district. If you prepay for your MNEA Lifetime Retired membership while still working, once you retire you will automatically become an MNEA-Retired member.

- You can join as a Pre-Retired Life or Retired Life member now for a one-time payment of \$500 by check, credit card or bank draft.
- You can also break up that payment into 10 payments of \$50 by credit card or bank draft over the course of one year. If you prefer a two-year payment plan by credit card or bank draft, you pay 10 payments of \$30 for the first year and 10 payments of \$20 the second year.

Annual Retired Membership

You can join as an Annual Retired member for \$75. The membership year runs Sept. 1 through Aug. 31.

First major accomplishment by MNEA-Retired in 1987 Submitted by Laverne Copeland

I recall the heated meetings as MNEA-Retired, led by Ruth Keeling, debated funding from MNEA for their new local. Dues were set and the first project was getting legislation passed that required school districts to provide health insurance to allow retired teachers to remain on their district health insurance plan.

When teachers retired in the 1960's, 1970's and 1980's, a large number of them did not have enough social security quarters to qualify for Medicare, which left them totally uninsured. SB 264 was passed in 1987 under the leadership of our Southwest Missouri retired teachers working with MNEA to get this legislation passed.

Now, 35 years later, teachers are indebted to this group for their efforts to make sure that all teachers will be able to have healthcare after retirement.

CHEER fund created in 2014

Submitted by Laverne Copeland

Caring Help for Educational Endeavors by Retirees began with then President Carol Weatherford and committee chair Janet Leachman.

The first contributor was Mary Parten, who graduated high school from Aurora and held her first teaching position in Cole Camp. She was 93 years young in 2014 when she sent a \$100 donation to MNEA-Retired to be used for a good purpose. We didn't know what to do with it at the time and so we saved it until we came up with a plan.

We named that plan CHEER, a non-profit fund to assist active educators with supplies and projects for their classrooms and students. Carol Weatherford made a visit to see Mary in September 2014 and shared with her that her \$100 seed money had grown into this worthy project and that we already had \$1000 in the CHEER account from generous contributors.

Happy Birthday, MNEA-R!

Submitted by Randy Weith

My most memorable memory about MNEA-R is when Southeast Missouri was asked to charter ten years ago in 2012. Since then, it has been a rewarding experience filled with meeting new people, going places, and being involved.

Happy Birthday MNEA-R!!

The Joy of Conferring a Cheer Grant - Dr. Pickett Lema, MNEA-R

It was my distinct pleasure to apply for and deliver a Cheer Grant to Lisa Watkins, an excellent reading specialist at Ritenour Middle school in April 2019! I supervised Reading Specialists for many years in the Pattonville School District, and as a specialist myself, I tend to readily identify excellence in that area. I found some!

I learned at my church of the investment of this teacher in her students. She has been searching for funding sources for sets of books for group study, “Go Fund Me”, etc. In this photo, I am presenting her the check for such a set of books as seen here. Students, necessarily covering their faces (needed permissions for externally shared photos), were very excited about their new books and learning opportunities!

Reading specialists receive supplies generally for individual, leveled intervention at the middle school level. Specialists are seldom provided multiple copies of the same book of high interest but readability for delayed middle school students who are scheduled in larger groupings. As a retiree, I too was thrilled to have this new opportunity. I visited with the principal, the teacher and the students.

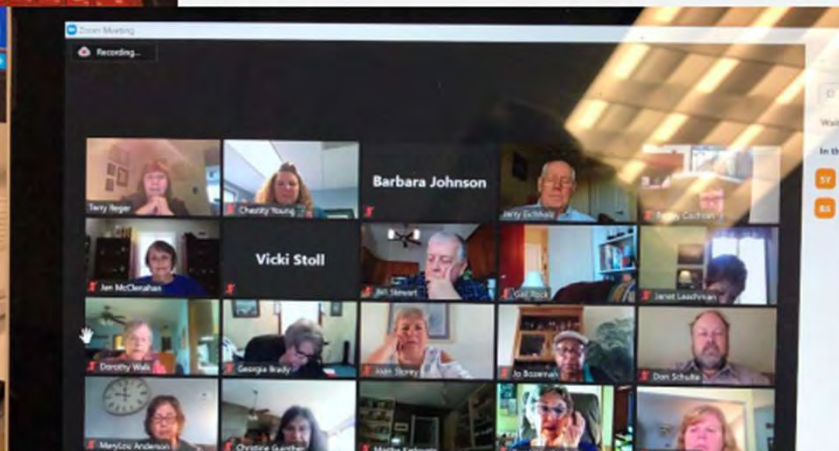

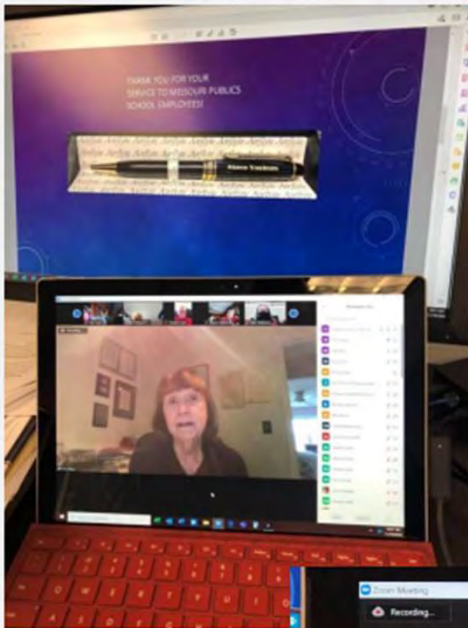

It was JOY all around!!

Retired Teachers Group Organizes

The East Central Missouri NEA Retired Teachers held an organizational meeting Wednesday, March 15, at Richard's on the Riverfront. The group has been formed to provide support for retired educators in Franklin County and neighboring counties and support issues that will assist area schools. Several Missouri National Education Association officials were present to assist in the formation of the group. Harold Austin of New Haven, seated at left, is the acting president.
