### **Local and State Legislative/Political Action Fund**

MNEA collects voluntary contributions from members to be used in supporting or opposing local and state policy issues, local bond/levy elections, school board election activity and candidates identified through member screening committees as friends of public education. \$1 per month is a recommended. Many members choose to give more; however, state law requires MNEA to report to the Ethics Commission the name and mailing address of any individual whose contributions aggregated in excess of \$100. You may adjust this voluntary contribution up or down by writing a different amount in the blank space provided on this form.

#### **Payment Information**

If your full dues are not paid within the stated time (10 or 20 months), my membership will be terminated, and any amount paid will be forfeited and not subject to refund or credit for future retired membership. If this form is received after September 30<sup>th</sup>, I understand my number of monthly payments will be adjusted accordingly.
