TOGETHER, WE WIN.

When educators stand together in our union, our voices become **stronger and more powerful.**

Joining Missouri NEA means **you never stand alone** as we champion better working conditions, fair pay, student resources, and respect on the job.

Our union brings together teachers, school nurses, bus drivers, counselors, custodians, and more **to achieve what none of us could alone.**

Together, **we win real victories** for our students, our coworkers, and our public schools.

OUR UNION. OUR VOICE. OUR POWER.

Missouri NEA is where aspiring educators **find a community** committed to building great public schools for every student, regardless of their zip code. This is more than preparation. It's your first step into a profession where **your voice has strength, your goals have support, and you have the power to shape what comes next.**

Joining the union means stepping into the profession **with support, mentorship, and a network of experienced educators** by your side. Whether you're still in school or just beginning your career, you deserve a voice in shaping the future of education.

Fair pay and strong support systems aren't extras they're essentials for every educator, including those at the very start of their journey. **When we stand together, we win** a stronger start for you and more opportunity for every student.

Union membership is power at the start of your career.

MEMBER BENEFITS

When you join Missouri NEA, you become part of **the nation's largest union with a local team ready to support your journey** into the profession. Whether you're still in school or just starting your career, you deserve **guidance, protection, and a voice** in shaping the future of education.

Membership includes up to **\$4 million in liability coverage, legal support, and expert help** with certification, job searches, and evaluations. You also gain access to mentorship, trainings, grants, and a network of experienced educators ready to help you succeed.

MISSOURI NEA WINS

Aspiring educators are stepping into the profession with purpose. Ready to lead in their classrooms and stand up for their students. With Missouri NEA, your voice helps protect public school funding, stop voucher schemes, and keep resources where they belong: with students and educators.

Together, we have repealed unfair Social Security penalties that hurt second-career educators and continue fighting for affordable, supported pathways into teaching. We are expanding access to mentoring, training, and early career support that builds a strong start for every new educator.

When you join MNEA, you step into power—with a union that wins for students, and for the educators who stand beside you.
